

## **ACADEMIC PLAN # 2**

**Parents & student choose the courses to complete for the semester, up to 7, Fall & Spring and 4 for Summer, using the following strategies, complete the semester.**

1. Student pick up work.
2. Student completes work at home.
3. Student turns in work the following week.
4. If struggling with lesson, student stays for tutoring, any day up to 3 hrs./week.
5. Work is graded and student can see grade on their online account.
6. Every month and at end of semester, student receives a grade report.
7. Seniors receive a high school diploma at the end of the semester.

**Example:** Johnny chooses to complete 4 courses for the Fall semester. He comes in on Wednesday, picks up the required lesson and assignments for the four courses, takes them home, and after reviewing the lesson, completes the assignments. He then returns the following Wednesday to drop off his work and pick up the next weeks assignment, if he needs help with any of the assignment he received, he can receive up to 3 hrs. of free tutoring. He does this until the end of the semester when he completes his final exam in all 4 courses. Exams can be paper & pen, computer, virtual or a project, student chooses.
